

Canine Corral- Release Form

Thank you for choosing Canine Corral for your pets grooming needs, Canine Corral prides itself on providing the best care for your best friend. Before grooming, please read and agree to our terms of service.

- All pets must be current on vaccinations as recommended by your vet before grooming
- If your pet has any medical problems (seizures , arthritis, collapsing trachea, etc.) please make us aware of them so that we can take the necessary steps to ensure your pets comfort. Sometimes grooming can expose a pre-existing condition. We cannot diagnose such a condition, but may advise you to seek veterinary attention.
- If your pet has any history of **biting**, please notify us prior to grooming. This will help prevent injury to us and your pet. If your pet has behavioral issues, we are happy to work through them with you.
- If your pet has **fleas**, we will automatically administer a flea bath. We will notify you, if possible. There is an additional charge for this service depending on the size of your pet. This cost covers the shampoo, time and cleaning necessary to ensure that no fleas are active in the shop. The treatment will kill the fleas on your pet but after leaving the shop , Your pet will not be protected from any fleas that may be present in your home or pet area.
- If your pet is extremely **matted** , it may need to be shaved down. We will make every attempt to notify you of this. A matted coat prevents air circulation from reaching your pets skin and may cause your pet to bite or scratch itself, resulting in irritated skin that does not heal properly. Shaving uncovers these conditions, as well as any other skin problems that may have developed from lack of grooming. Please note that it is difficult to shave down a matted pet without slightly irritating the skin. There will be an extra charge for this service because of the extra time and care needed.
- Although accidents are very rare, there is a risk when dealing with live animals. Canine Corral will notify you immediately any incident that occurs or any condition that we notice. Your pet's safety and comfort is our number one priority.
- You further authorize Canine Corral to transport your pet to a veterinarian in the event of an emergency, and agree that any resulting veterinary bills will be your sole responsibility. You grant us permission to seek veterinary attention if needed.

By signing our sign in sheet at time of service, you indicate that you understand and agree to our terms of service; that you understand and agree to release and hold harmless Canine Corral, its owners, employees and affiliates from and against any and all liabilities, expenses, damages and costs (including attorney fees) resulting from any service provided or injury (including death) to your pet(s) while in our care or afterward.
